YEAR 6 REMOTE LEARNING PLAN

Date: Monday 1st March 2021

READING WITH YOUR CHILD

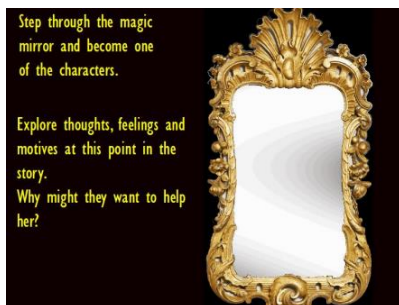

Please continue to read daily and record this in your diary. Each week (**Tuesdays**), you will be assigned a focused reading task via Seesaw. Please read the text and complete the task set.

CORE LEARNING TASK FOR ENGLISH

Today, we are going to read the next section of *The Giant's Necklace* by Michael Morpurgo.

You will then step through the Magic Mirror and become the young miner, completing think, say and feel bubbles from his point of view. Please see the Powerpoint presentation and Miss Terrell's tutorial videos.

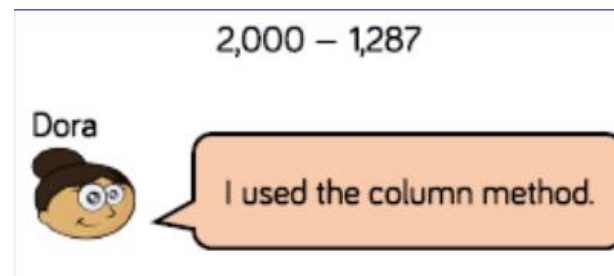

You also have a spelling activity on apostrophes for possession.

CORE LEARNING TASK FOR MATHEMATICS

This week, we are going to complete a unit on addition and subtraction.

Today, we are going to look at mental and written strategies for addition. Remember to only choose the standard written method, if a calculation cannot be done using a mental method.

Please watch the video and view the presentation. Complete the task and check your answers. Send your work via SeeSaw so we can check you have understood.
