

**TASK 2: Read the statements and decide if you agree or disagree with each statement, explain your reasoning.**

- People should go for the jobs they think they would be good at and are interested in.
- Maths is really difficult.
- Your gender should have no impact on your subject choices.
- I would always encourage my peers to do whatever subjects they want.
- Nursing is a profession best suited to women.
- Males and females are equal.
- Boys are better than girls at Maths.
- Girls do better in school than boys.
- Design Technology is a “boys” subject.
- Being the only male/female in a class would put me off choosing that subject.
- The best job for you is one that matches your skills, abilities, and personal qualities.
- Boys are better at computers than girls.
- Girls are better at sports than boys.
