

Sherwood Primary School

PE and Sports Provision

PE/Sports provision funding action plan for 2017-2018

Basic funding: £8000

Additional £5 per pupil (as of January 2017 census): £21 10

Total funding received in 2017-2018 academic year: **£10110**

| Link to self evaluation | Action   | Lead responsibility | Time scale         | Cost   | Pupil outcome  |
|-------------------------|--|---------------------|--------------------|--|--|
| 1                       | PW to have a day out of class to develop new page on website and look into Monthly Sporting Newsletters. | PW                  | Autumn Term        | £250   | Pupils can be proud of their achievements and share these with their family and wider community through our new website.   |
| 2                       | To book Futsal, PSHE sessions with PNE and Street Dance for AGT Group                                    | PW                  | Autumn Term        | £1890  | The Futsal sessions should improve performance in football fixtures. The PNE PSHE sessions should improve self-confidence and give children active role models and inspire their aspirations through the Player Visit and Ground Tour. Street Dance will have an impact on the annual competition and give children an opportunity to compete. |
| 3                       | To book PW onto Cluster/Update Courses with LEA.   | PW                  | Autumn Term        | £300   | The subject leader having a greater depth of knowledge will hopefully be passed to the teachers whose lessons would be more current and this should raise the achievement of the children.   |
| 4                       | To evaluate performance of Tennis Coach and book for Year if required.                                   | PW/HT               | Summer Term (2017) | £2520 (£35 hour x 2)<br>6 x 6 week terms       | All pupils to receive a 6-week block of lessons. This will improve the fundamental movements in KS1 and technique and performance in KS2.  |
|                         | To book Tennis coach for Breakfast Clubs   | PW                  | Summer Term (2017) | Subsidise by approx.<br>£150/Half Term<br>£900 | Pupils will have the opportunity to further develop and enhance their skills whilst linking to a local community club.   |
|                         | To ensure school has resources to provide a diverse PE curriculum.                                       | PW                  | Autumn/Spring Term | £300   | Better resources will improve standards and outcomes for the children.   |
|                         | To further develop provision for outdoor and adventurous activities for Y4 (Clip and Climb)              | PW & Y4 Staff       | Autumn Term        | Subsidise £400                                 | Y5 & Y6 currently have OEA. We have identified that a fear of climbing and heights is one area where some of the children will not overcome on these trips. Hopefully, by putting a day of climbing into the curriculum in Y4, it should boost confidence.   |
|                         | To book bus for Open Golf Experience   | PW                  | Summer (2017)      | £150   | Pupils will have the experience of seeing a major sporting event live.   |
| 5                       | To book CPD for required Staff (One Infant, one Junior)  | PW & Staff          | Spring/Summer Term | £600   | An improvement in teacher confidence levels to teach certain areas of the PE Curriculum will increase expectations in those sessions.  |
| 7                       | To enter all available Preston Competitions provided by PPSSC and SSCO. (20 Comps)                       | PW, JB & MS         | All Year           | £15 x 20<br>£300<br>Including Cover<br>£1000   | Pupils will have the opportunity to compete against local schools and hopefully be successful and have a sense of belonging to their school.   |
|                         | To provide transport to competitions.  | PW & HT             | All Year           | £500   |  |
| 8                       | To train and resource a Play Leader Programme including CPD for Midday Staff                             | PW & HT             | Autumn Term        | £1000  | Pupils will be more active and lunch and break times and therefore will be healthier and fitter.   |

Total - £10110
