72%	28%	-	-

We would like to thank all parents for taking part in our Parental Questionnaire. The feedback was shared with our Strategic Leadership Team and Governing Body in the Summer Term 2017.

In the Summer Term 2017, we will be introducing a new school website that will be updated on a weekly basis. The new site, that includes class pages and a parents area, will provide parents with details of events and up to date curriculum information. Our new website will also include a range of information for parents to support learning at home. For example, our Mathematics page will include a step by step guide to our written calculations policy. We hope our parents find this useful.
