

PEOPLE WHO HELP US

We started this week by thinking about people who help us at school. We talked about the different members of staff from the teachers and teaching assistants to the cooks, office staff and kitchen staff! The children were very excited when Paul, our school crossing patrol officer, came into school to visit us. Paul talked to the children about his job and about how to cross the road safely. This inspired lots of creative activities and role play for the next few days.

We then moved on to look at people who help us in the wider community. Children talked about ballet, swimming teachers, shop workers, people at church, people at mosque and more. We spent some time learning about dentists and had lots of fun making mouths and pretending to brush giant teeth!

In RE, we enjoyed talking about when we celebrate, why and with who. Thank you for your photos – we enjoyed talking about the range of celebrations. They introduced our topic on Special Times very well.

THANK YOU!

Thank you to all the parents who came to the information evening on Wednesday this week. We hope that you found it useful. To those parents who could not make the meeting, many of the resources that we talked about can be found on the **Foundation class page** on the Sherwood website.

HOMEWORK

To draw a picture of someone from the emergency services – this could be a firefighter, police officer, paramedic, doctor etc. Try really hard to ensure that your drawing of a person has a body, arms, legs, hands and feet. Don't forget eyes, nose, mouth and ears too! Take a photo of your drawing and post it on Seesaw for us to share next week.

Phonics homework is set on **Seesaw** for your child from Monday! This will be a video and a fun practical activity. Use your **Seesaw log-in** to get started. These will be issued on **Monday**.

Reminders

Please continue to practice zipping and unzipping coats, putting them on independently along with jumpers and cardigans. Thank you.

Please log on to **School Spider** using your email link to be able to book Parents Consultation Meetings in October.

NEXT WEEK

Next week we continue our learning about 'people who help us'. We will be particularly focusing on doctors, police officers and firefighters. We will hopefully have some special visitors coming to see us on Friday. Make sure you check the **gallery** page on the website to see photographs!
