

READING WITH YOUR CHILD

Please continue to hear your child read every day, and to discuss the text and new vocabulary with them, to further deepen their comprehension skills. Your child will soon be coming home with a list of high frequency words and tricky words from our Phonics scheme of learning. These should be read through at the start of a reading session.

KEY MENTAL MATHS SKILLS TO REHEARSE ORALLY THIS HALF TERM

We would like children to work on the speed of recalling double facts from 1+1 to 10+10.
