

Sherwood Primary School NEWSLETTER

04/05/18

Dear Parents and Children,

Thank you to all the parents who have expressed an interest in the role of Parent Governor. As we have had more than two applications, a vote will be taking place. I very much hope that you will participate in this process. Ballot papers will be coming home next Friday.

Congratulations to our Tag Rugby Team who finished their League matches this week and following their success this year have now moved to Division 1. Fantastic!

Our Reading Champions met in the library this week to discuss ideas for promoting reading. They had lots of interesting ideas from running book clubs to having special times in the School Day to read. They then went on a walk around school looking at class reading areas, and discussed how they could be further developed. Congratulations to Brooke l'Anson for winning this week's Share a Story Prize Draw.

Our reading top tip this week is: ***Encourage your child to read the newsletter to you each week.***

Please look in book bags today for a letter sharing staff news.

Enjoy the Bank holiday!

SCHOOL MEALS

Can we politely remind Junior parents to ensure that school meal dinner money is kept in credit at all times? It is a requirement of Lancashire County Council that school meal dinners should not be in arrears. Thank you for your co-operation.

THE ROYAL WEDDING

FINAL DATE TO MAKE PAYMENT

We will be celebrating the Royal Wedding in School on Thursday 17 May. The School Kitchen will be providing a Royal Picnic lunch on that day for the children. If your child currently has a school meal this is purely for your information.

However, if your child brings a packed lunch to school, they may have a school lunch on that day.

If you would like your child to have a school meal please make payment, via ParentPay, under Lunch Payments for Sherwood Primary School. The cost of the lunch is £2.20 and **we request payment by Friday 4 May**. Unfortunately we cannot accept payment after this date. Thank you!

Alberto Giacometti Figures Year 5 Art and Design

Year 5 have been looking at the human figure and the work of Alberto Giacometti. Look at their designs so far. They have used metal wire and mesh, then covered them with mod-roc, put them into a clay base and finally painted them.
