## EYF5 NEWSLETTER

Week ending: 19th April 2024

### Stars of the Week!

Muhammad Ishmael  
Daisy  
Luke  
Lyla

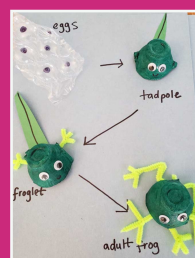

## Welcome back!

We hope you all had a lovely relaxing break! The children have certainly come back to school refreshed and ready for a new term of learning! This week we have started our new topic, **'In the Garden'**. We have begun by exploring the life cycle of a frog. The children have learnt all the different stages and picked up on some super vocabulary: **frogspawn, tadpole, froglet, frog, lifecycle**. We had a great time visiting the school pond and using the nets to catch tadpoles. We are going to put them in a tank in our classroom so that we can observe how they grow over the next few weeks.

## Homework

Your creative home learning task has been set on SeeSaw this week. We look forward to seeing your wonderful creations!

## Next Week

Next week, we are going to move on to learning about the lifecycle of a butterfly. We are going to be reading and doing lots of work around the story, 'The Very Hungry Caterpillar'.
