

# Year 3

## Week 1

23<sup>rd</sup> - 27<sup>th</sup>  
March 2020

### DEAR YEAR 3,

What a week! You have all been very busy. It has been a joy to read your emails and see the work you have been sending to us.

Your enthusiasm and love for learning is fantastic. With the weather being wonderful, I'm hoping you've enjoyed being outside in your gardens too.

Thank you to all parents for your encouragement and continuous support.

Mrs. Holt, Mr. Sutcliffe and I are now busily planning future work and activities.

Take care, keep safe.

From Mrs Barker & all of the Year 3 Team

### Mrs Barker's Week

Being in school without you all, is very strange. However, whilst we are not together, I did promise I would stay in touch and give you an insight into what I have been doing. Here are some pictures below. Take care everyone. From Mrs Barker 😊

Testing materials: Making a canal using cardboard.  
Oh dear, it was too absorbent! The tinfoil boat didn't get very far 😞

Living things: Hunting for insects 🐛

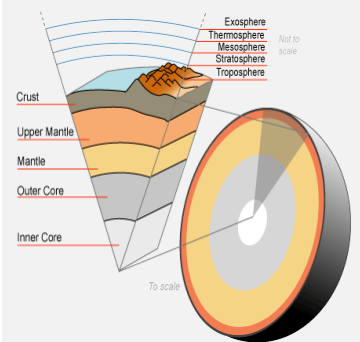

Day 1: Home schooling at Mrs Barker's house 23.03.20

My little boy created his own behaviour/reward chart, just like in his classroom. I hope he stays on the green. How shall I reward him if he reaches the star? 😊

The Earth - Volcanoes & Earthquakes

**Mashing the bananas, ready for banana bread. My little boy worked hard to do this. Which muscles did he use?**

**Day 2: Home schooling at Mrs Barker's house 24.03.20**

**Weighing apples: We were comparing the different scales. Have you got scales at home? What could you weigh?**

**Well Being: Can you think of something that makes you feel proud?**

**Reading**

**Times Tables**

**PE with Joe Wicks**

**Following instructions: Make a den. He is now charging for guided tours! 5 tours for 10p! How much would 1 tour cost?**

**The banana bread was delicious. We did save some and put it in the freezer.**

**We made a target board on the wall, using chalk. We all practised our tennis and multiplication, using the numbers on the target.**

**Playing with construction vehicles. Has it snowed or is it talc?**

**Working hard on Maths problems set by his teacher.**

**PIC•COLLAGE**
