

## HAVE FUN

The **whole of the** Year 3 team wish you a Happy Easter. We hope the weather is warm and dry so you can get out into gardens and play. Relax and breathe in the fresh air.

Here are some ideas of things to do. You may have better ideas – all we want is for you all to be healthy!

### Rainy day ideas:

**Artclass tutorials:** see across

**Storytime:** see across

**Computing:** Watch the coding tutorial video and enjoy completing the unit. Here are the links:

<https://www.dkfindout.com/uk/computer-coding/>

<https://central.espresso.co.uk/espresso/coding/lessons.html#/coding/units>

**Enter the decorated Easter Egg competition:** details on school website

### Dry day ideas:

**Start to look at the emerging flowers:** Think about how they spread their seeds to reproduce. Make a fact file. Don't pick wildflowers though.

**Make a bughouse:** Watch the tutorial video

**Invent a game to play** with your family only using sticks and pebbles. Be inventive.

**Enter the Bug Hunt competition:** Follow the link and have a go!

<http://www.schoolscience.co.uk/bughunt>

## STORYTIME:

Storytime will be posted on the Easter activities pages. It would be a shame to miss out on the saga of The Grunts.

Make up your own stories about The Grunts. Act them out. Video them! We would love to see them!

## ARTCLASS:

Artclass tutorial videos will be still available on our Week 1 and Week 2 remote learning pages. Watch them again and have another go.

There will be another couple posted on the Easter page too.

Sketch flowers you start to see emerge. Create a nature notebook.

## EMAILS

We will not be responding to emails during the Easter break. However, please do take any photos of activities and work completed - send them to us at the normal email address. Remember – no pressure to do ANYTHING over Easter. Subject to continued school closure, remote learning plans will be posted again in the Summer term and we will be back in touch then.
