

HAPPY EASTER!

From all of the Year 2 team, we want to wish you a Happy Easter! Thank you for all the effort, hard work and support you have provided the children over the last couple of weeks- it has been lovely seeing their work and their smiley faces. Thank you for everything you are doing- it is much appreciated. Stay safe and have fun!

EASTER ACTIVITY 2- SCIENCE

The Great Big Bug Hunt! Go out into your garden and see what bugs you can find! Choose 1 of these bugs and research about it! It is a **competition** and you can win a book, lots of insect related prizes plus a 'hands on' Insect Day when we return to school. Follow this link to find out more <http://www.schoolscience.co.uk/bughunt>

EASTER ACTIVITY 3- RE

As it is the Christian celebration of Easter, we would like the children to familiarize themselves with the Easter story. Please use **Espresso- The Easter Story- KS1** to do this. We would also like the children to bake some Hot Cross Buns (if possible). A recipe for this can also be found on Espresso.

KEEPING IN TOUCH- EMAILS

We will not be responding to emails during the Easter break. However, please do take any photos of activities and work completed - send them to us at year2@sherwood.lancs.sch.uk. Subject to continued school closure, remote learning plans will be posted again after the Easter break and we will be back in touch then.

EASTER ACTIVITY 1- HISTORY

SEASIDE PROJECT

We would like the children to create a project based on the Seaside: Then and Now. This would be our topic in the Summer Term and it is a good way to compare how the seaside has changed over the years. The children need to research what the Seaside was like in the past (Victorian era) and what the Seaside is like today. We would like you to give your project the following title:

SEASIDE: THEN and NOW

This project can be completed in any way you would like. This project can be completed in the form of a poster, an information booklet, a travel brochure, a presentation (the children have been taught how to use PowerPoint at school which is a great way to display information) and/ or a 3D scene of the Seaside both past and present i.e half and half. There is a wealth of information online and maybe even ask grandparents what the seaside was like!

IDEAS

- Look in travel brochures for pictures of where to go on holiday to the seaside. Cut and stick to create a collage a page of seaside destinations now and seaside destinations in the past.
- Past and present seaside holiday comparisons- comparing transport, clothes, where to stay, where to buy ice cream on the beach, activities.
- Create postcards for both Seaside: Then and Seaside: Now.

Use Espresso and the following videos to help:
Magic Grandad on YouTube- Seaside Entertainment and Promenade

SHERWOOD EASTER EGGSHIBITION- ONLINE!

This year we invite the children to enter a photograph of a decorated egg. All entries will be displayed on our school website and we will invite some special guests to judge winners from each year group. As space is not limited, there is no size limit this year! Be creative and have fun! Please email pictures to: easter@sherwood.lancs.sch.uk
