

RELAX, UNWIND AND MORE IMPORTANTLY HAVE FUN

Well done Year 6! You have now completed the Spring Term! The Year 6 team hope you have a well deserved break with your families. Thank you for all your emails and photos of your work; we have been so impressed at how hard you have worked and it has been great to see how you all have completed tasks in different ways. Now it's time to relax, ready for the Summer term. There is no expectation to complete any school work over the Easter break, however we have provided some suggestions of activities you may wish to complete:

**EASTER EGG COMPETITION.**

It's that time of year again when the school is filled with your Eggtastic creations for the annual decorated Easter egg competition. This year it will be a little different, with creations being photographed and sent in. They can be as large as you want. BE CREATIVE!  
See the School newsletter for more information.

ACTIVITIES FOR BOTH RAINY AND DRY DAYS.

- Create your own 'Joe Wicks' style exercise routine.
- Help your parents with cooking meals and baking - one day you will all be doing this and these are vital life skills to learn.
- Keep a diary - in ten years you will be fascinated to read all about what you were up to during your final Easter holiday at primary school.
- Write a letter/postcard to post to a friend or family member.

THE GREAT BUG HUNT.

The Association for Science Education have opened a competition for primary aged children called 'The Great Bug Hunt 2020' which sets out a challenge in which children look for bugs they can find in the garden.

Please see <http://www.schoolscience.co.uk/bughunt> for more information.

KEEPING IN TOUCH

We will not be responding to emails during the Easter break. However, please take photos, if you wish, of the activities the children choose to complete – sending these to the same email we have been using. Remember though that there is no pressure to complete ANYTHING over Easter.  
Subject to continued school closure, remote learning plans will again become available on the class page once we return for the Summer term.
