## WELCOME BACK TO THE SUMMER TERM!!

We all hope you have had a good break over the Easter holidays and that all is well and children are ready to start the summer term. We will continue to provide you with exciting and interesting activities over the course of the next few weeks. Also, we will give you some interesting links and websites we have found and we think that you will enjoy.

## JOE WICKS DAILY P.E. LESSONS

Joe Wicks has become a firm favourite in lots of households. Please continue to start your day with his exercises.

Just follow this link and give it a go:

## SCIENCE

It's time to find those pictures you drew or took before Easter. Have a look at what you saw two weeks ago and what you can see now. Draw or take another picture of the same view and discuss the changes that you can see. It would be great to see the differences written down!!

## PHONICS PLAY

Phonics play is a resource we sometimes use in our phonics sessions in class. At the moment it is free just follow the link and use the login: march20 and password: home. Recap the phase 3 and 4 activities and have a go at the activities relating to our phase 5 work.

Remember - 'Phonics helps us read and write'

## **P.E.**

The weather is set fair so it's time to get outside and have some fun. Let's see how many different sports we can have a go at this week. Take a picture of them all and we'll see who gets up to the most interesting!! Happy playing!!

## **KEEP IN TOUCH!!**

It has been fantastic receiving photos and emails of the work you have been doing. Thank you for keeping in touch. Please continue to let us know what you have been up to. Don't hesitate to contact us if you have any questions or need any further advice.

Take care - The Year 1 Team
