

# YEAR 6 REMOTE LEARNING PLAN

## Core Learning Tasks for Thursday 23<sup>rd</sup> April 2020

### CORE LEARNING TASK FOR ENGLISH

#### Reading:

Amazing Women – Question Set 2, Pages 56-57 of CGP SATs Reading Question Book

#### Writing Across the Curriculum:

Linked to our Summer Term History topic, research when World War II began and the reasons why it started.

Find out using the 5Ws: when war was declared; which countries were involved at the beginning (allies and axes) and who their leaders were; what happened to result in these countries being at war with each other (why).

Present your work in a poster entitled *The Outbreak of War*, as a pull-out poster from a history magazine (see example). You could either use a double page of your Remote Learning book, create on an A3 piece of paper or digitally on your tablet or computer. Organise with sub-headings and add images to interest the reader. Don't forget to email us a photo of your work so we can display it on the website.

### CORE LEARNING TASK FOR MATHEMATICS

Following on from your work on Algebra this week, can you answer these SATs questions? (The answers are in the document should you get stuck).
