## WHAT A LOVELY BANK HOLIDAY!!

We all hope you had a brilliant bank holiday and enjoyed the beautiful weather!! It's a shame it hasn't lasted but I'm sure it will return soon. This week, as always we will set core tasks on Tuesdays and Thursdays with an overview of the week on a Monday. In this newsletter, we give extra information and challenges for the week ahead.

## READING

We love reading in Year 1!! So we have set up an online reading scheme for everyone to have a go at. The reading books have been changed with 3 new ones for you to have a go at. We would like you to read them **twice**. The first time to enjoy and the second time for fluency and understanding. The books will be changed each week. Please follow the link <https://my.risingstars-uk.com/Default.aspx?cid=DL213331>

The Login is: Year1

Password: sherwood

Centre ID: 213331

All we ask you to do is **not** to click finished when you have read the book. This way other children can read it at the same time.

A big thank you to Ms Terrell for organising our new reading books!!

## JOE WICKS DAILY P.E. LESSONS

Joe Wicks has become a firm favourite in lots of households. Please continue to start your day with his exercises.

Just follow this link and give it a go:

## READING CHALLENGE

We would like you to send a video of you reading your favourite book or part of your favourite book. Use lots of expression!! We will load your videos onto the website for everyone to see your amazing reading!! Watch out for Mr Billington and Mr Wilson reading their favourite stories over the course of the week!!

## THROWING AND CATCHING

In our P.E work with Preston North End earlier in the year, we did lots of throwing and catching. This week's challenge is to see how many throws and catches you can complete in 1 minute!! Keep practising throughout the week and send in your scores. Let's see who is our catching champion!!

## KEEP IN TOUCH!!

It has been fantastic receiving photos and emails of the work you have been doing. Thank you for keeping in touch. Please continue to let us know what you have been up to. Don't hesitate to contact us if you have any questions or need any further advice.

Take care - The Year 1 Team
