

# YEAR 5 REMOTE LEARNING PLAN

Core Learning Tasks for Tuesday 12<sup>th</sup> May 2020

## CORE LEARNING TASK FOR ENGLISH

This week, we will be looking at different inventions. Today we will be discovering some inventions that were created by accident!  
Watch the BBC clip - What is an invention?: <https://www.bbc.co.uk/teach/class-clips-video/design-and-technology-ks2-what-is-an-invention/zrf92sq>  
After watching the clip, write your own definition of what an invention is.

Read about three inventions which were discovered by accident here:  
<https://www.natgeokids.com/uk/primary-resource/accidents-happen-primary-resource/>

**(To access this resource, scroll to the bottom of the page and click on the PDF button below 'download primary resource.' This will download a zip file which contains the PDF 'Accidents- Happen-Primary-Resource' poster inside. You do not need the other files).**

Once you have read this, watch this clip about another invention which was discovered by accident – the potato chip (or crisps as they are more commonly known in the UK): <https://www.youtube.com/watch?v=rqNxtYzAOHA> Watch from the beginning until 2 mins 30 seconds.

### Task

Imagine you are to write about the discovery of potato chips in a similar style to the article you read at the start of this session.

Write your version of the discovery of potato chips using the same format as this article, such as: selecting your main title, using the sub-headings 'The 'Oops' Moment' and 'The Details' with a short description and finally a sub-title for the discovery and a short explanation.

Remember to read back through your work to check for spelling and punctuation.

## CORE LEARNING TASK FOR MATHEMATICS

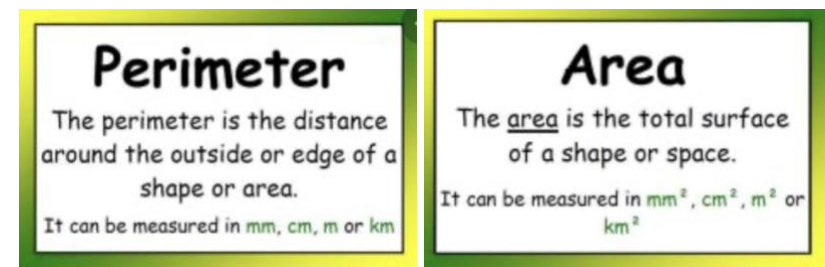

This week, we will be revisiting Perimeter and Area of regular and compound shapes.

**Remember that Perimeter is the distance around the edge of a shape and Area is the amount of space that the shape takes up.**

Watch Summer Term Week 3 Lesson 4 – Calculating Perimeter and complete the Activity. <https://whiterosemaths.com/homelearning/year-5/>

Once you have finished, log onto Mathletics and complete the assigned activities

- Calculating the Perimeter of Squares and Rectangles
- Perimeter Detectives

## KEEPING IN TOUCH

If you have any questions or queries regarding remote learning tasks, please contact your child's class teacher through the email address below.

We invite you to submit photographs of your children's experiences and photographs of completed paper based tasks to:
