

# SHERWOOD PRIMARY SCHOOL

## YEAR 3 HOMEWORK

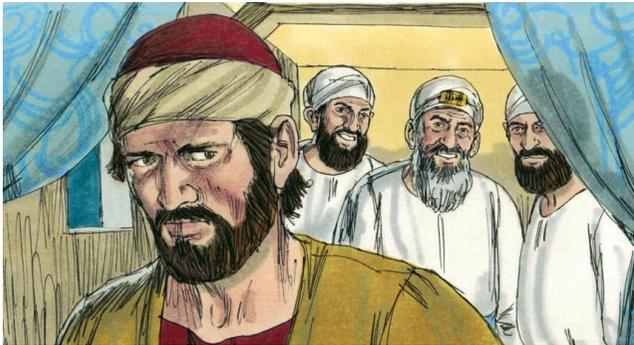

To be completed by 30/03/2022

### CORE TASK 1

This week, in R.E, the children have been learning all about the 'Easter Story'. The children have looked at the disciple Judas and his betrayal on Jesus.

#### Task:

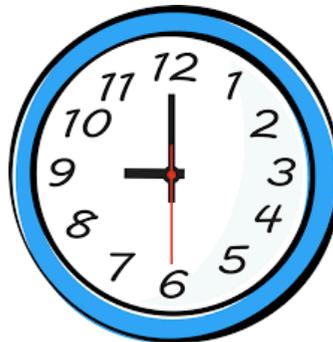

We would like the children to read the 'Easter Story', available on Seesaw. After reading the 'Easter Story', we would like the children to answer the questions about the text in full sentences. Please upload an image of your work, which is completed in your homework book, onto Seesaw.

### CORE TASK 2

This week our topic has been time. We have been learning how to tell the time to the nearest five minutes and to the nearest minute.

Your Maths homework for this week is telling the time on an analogue clock, this will help you to practise your time telling skills. The task is on Seesaw. Please complete it and upload your answers.

Continue learning the poem sent home last week ready for the Sing Together Concert.

### READING WITH YOUR CHILD

Please continue to listen to your child read each day. Comprehension of reading is very important. Follow the link for great question ideas.

### SPELLING/PHONICS FOCUS

This week, the children have been working on the year 3 statutory spellings. Please complete pyramid write for the words below:

**quarter, question, reign, sentence,  
strange, thought, through, weight,  
woman, women**

### KEY MENTAL MATHS SKILLS TO REHEARSE ORALLY

Next week our topic is time, we are going to be looking at how many days there are in a week, and how many days and months in the year. Do you have a calendar in your house? Could you work out how many days it is until your birthday? Or the holidays? (Or even Christmas?!)

### KEY VOCABULARY FOR THIS WEEK

|                   |   |
|-------------------|---|
| betrayal          | is breaking someone's trust.  |
| main vent         | This is the channel through which magma travels to reach the Earth's surface.                           |
| dormant volcanoes | These are volcanoes that have not erupted in a long time but are expected to erupt again in the future. |
