## GEOGRAPHY FOCUS

### The water cycle

This week, we would like you to carry out a small investigation and write about what you observe. First, start by watching this clip about the water cycle. Whilst watching the clip note down any key vocabulary.

[https://central.espresso.co.uk/espresso/primary\\_uk/subject/module/video/item1207022/grade2/module1196044/index.html](https://central.espresso.co.uk/espresso/primary_uk/subject/module/video/item1207022/grade2/module1196044/index.html)

Then, create your own mini water cycle to observe.

1. Fill a clear plastic cup with 2-3cm of **damp soil**.
2. Cover your plastic cup tightly with one layer of cling film.
3. Watch and record what you see happen over the next couple of days.

## ART FOCUS

Use this link to research about the artist Andy Warhol. Make sure you watch the video clip.

<https://www.tate.org.uk/kids/explore/who-is/who-andy-warhol>

Then, stick down half a packet of crisps onto a piece of paper and draw/complete the other half in the style of Andy Warhol. See the example.
