L.O Complete a film review of a Pixar short.

It is our final day focusing on the Pixar shorts! I hope you have enjoyed it!

Today you are going to watch another two clips, choose your favourite, and write a film review.

Watch again the Piper clip (you will know it off by heart by now!)

Then watch the other two clips listed on the Core Learning Page (Lou Clip and Partly Cloudy Clip)

Choose your favourite!

Now I would like you to pretend that you work for a magazine! You have been asked to write a film review for your readers. You can present this as creatively as you like but remember to still use standard English and all of our writing expectations!

(You could draw some of the characters, some of the scenes, a fancy heading... the choice is yours!)

Include the following, in your film review,

- Title
- Plot summary (What happens? Did you find the plot interesting?)
- Characters – (Who are the main characters? Who was your favourite and why?)
- Your opinion – (Did you like the film? What was your favourite part and why?)
- Recommendation – (would you recommend it to a friend? Why or why not?)
