

SHERWOOD PRIMARY SCHOOL

# YEAR 6 REMOTE LEARNING PLAN

Monday 19<sup>th</sup> October – Friday 23<sup>rd</sup> October 2020

Our theme this week is:

## Our Planet

### KEEPING IN TOUCH

If you have any questions or queries regarding remote learning tasks, please contact your child's class teacher through the email address below.

Miss Terrell will be busy with Parent Consultations on Monday and Tuesday, but we will endeavor to respond to your emails as soon as we can.

We invite you to submit photographs of your children's experiences and photographs of completed paper-based tasks to:

[year6@sherwood.lancs.sch.uk](mailto:year6@sherwood.lancs.sch.uk)

### DAILY NEWS

Please log-on to Espresso and watch the 60 second Daily News. Please discuss this with your parents.

### Art

Design a new animal species that can survive in a harsh environment, choose either the desert or the polar regions. Consider the features the animal will have adapted to survive e.g. small ears, fur etc. Remember your learning on camel adaptation in class. Label the features on your animal and explain how they will help them to survive. Be creative.

Have a go at the Espresso activity for ideas.

### SCIENCE

Find out how fossils are formed, and how we find fossils.

- Watch the video on Espresso:  
[https://central.espresso.co.uk/espresso/primary\\_uk/subject/module/video/item324103/grade2/module321128/index.html](https://central.espresso.co.uk/espresso/primary_uk/subject/module/video/item324103/grade2/module321128/index.html)
- Explore the Natural History Museum website and watch the video.  
[https://www.nhm.ac.uk/discover/how-are-fossils-formed.html?gclid=EAlaIqobChMIm\\_Gbpda77AIVdoBQBh08gwMTEAAAYASAAEgJRPvD\\_BwE](https://www.nhm.ac.uk/discover/how-are-fossils-formed.html?gclid=EAlaIqobChMIm_Gbpda77AIVdoBQBh08gwMTEAAAYASAAEgJRPvD_BwE)
- Explain how fossils are formed and how they are discovered (remember the work we did on Mary Anning in our biography unit). You can either write an explanation in your Homework book, present your explanation as a Powerpoint or create a video explanation in role as Professor...

## MATHS CORE LEARNING TASKS

### Mental and Written Subtraction

#### MONDAY – Calculating angles

Please complete your homework on angles, then complete the activities on **Mathletics**.

#### TUESDAY – Different mental methods of subtraction

Please use the Powerpoint entitled **Maths Tuesday** and complete the activities in your Homework Book, then complete the activities on **Mathletics**.

#### WEDNESDAY– Different mental methods of subtraction

Please use the Powerpoint entitled **Maths Wednesday** and complete the activities in your Homework Book, then complete the activities on **Mathletics**.

Also, complete the Arithmetic Test (download from Wednesday's page).

#### THURSDAY– Standard written method for subtraction

Please use the Powerpoint entitled **Maths Thursday**, and complete the activities in your Homework Book, then complete the activities on **Mathletics**.

#### FRIDAY– Using and applying methods of subtraction

Please use the Powerpoint entitled **Maths Friday**, and complete the activities in your Homework Book, then complete the activities on **Mathletics**.

## ENGLISH CORE LEARNING TASKS

We are going to complete our survival stories after half term, when we are all back in school together. Therefore, this week you will be completing your English homework, doing some grammar activities to support your writing back in school, and finding out more about climate change.

### MONDAY – **Tsunami homework**

- Please complete your **English/Geography homework task on tsunamis**. Remember that we are expecting you to complete this piece to a high standard (see the Latest Updates and gallery pages on the website for examples).
- Complete the spelling activities on Mathletics on **ous** words.

### TUESDAY – **Expanded noun phrases**

Please use the Powerpoint **English Tuesday** and **Resource Sheet 1 Rainforest Image**.

### WEDNESDAY– **Climate change research**

Please use the Powerpoint **English Wednesday**.

### THURSDAY– **Palm oil letter**

Please use the Powerpoint **English Thursday**.

### FRIDAY - **Climate change poem**.

Please use the Powerpoint **English Friday**.

**Daily reading** – Find somewhere quiet and enjoy reading your Pathway books. Don't forget to write the pages you have read in your diary and get them signed by an adult. There will be a bonus Reading Token for those who read each day.
