

# SHERWOOD PRIMARY SCHOOL

## YEAR 1 REMOTE LEARNING PLAN

Friday 8th January 2021

### CORE LEARNING TASK FOR ENGLISH

We loved watching your videos yesterday of you acting the different characters – they were fantastic!

Today we are going to be identifying and matching what the character's say in the story of Zog by Julia Donaldson.

You can use the quotes provided to help you or think of some of your own.

Don't forget capital letters, finger spaces and punctuation!

We look forward to seeing your writing on Seesaw.

### CORE LEARNING TASK FOR MATHEMATICS

You have worked so hard this week learning all about the place value of each number and representing them using tens and ones jottings.

Today we are looking at ordering numbers. Please look at the video to show you how to order numbers.

Remember to look at the tens number and then the ones to help you put the numbers in order.

We look forward to seeing your work on Seesaw.

### KEY VOCABULARY

**Maths** – tens, ones, partition, jottings,

**English** – capture, hoarse, fearsome, gleaming.

**Challenge**- what do each of these words mean? Can you use a dictionary to find out?

### WIDER CURRICULUM TASK

In music today listen and appraise the song A Million Dreams from The Greatest Showman. What can you hear? Which instruments? How many voices? How does the music make you feel?

As a class we are going to learn the Makaton signing for A Million Dreams so that we can make a class music video by half term. Follow this link to begin learning how to sign the song.
