

READING WITH YOUR CHILD

Please continue to read daily and record this in your diary. Each week (**Tuesdays**), you will be assigned a focused reading task via Seesaw. Please read the text and complete the task set.

CORE LEARNING TASK FOR
ENGLISH

Today, we are going to focus on a Key Writing Skill that we will use in our Macbeth writing piece – how to use a **semi-colon** to link clauses of equal weight.

We will also be reading more of Macbeth and using our inference skills to consider a character's thoughts, feelings and motives. We will then **write a letter** from Macbeth's point of view.

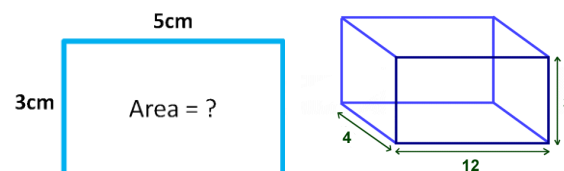

We would also like you to complete a spelling task on spelling **the s sound spelt sc**.

Please view the presentations, videos and resources in the Y6 Remote Learning area on the school website.

CORE LEARNING TASK FOR
MATHEMATICS

This week we are moving on to looking at Area and Volume which continues our learning of Perimeter and measurement from last week.

Please watch the video to help you to understand and complete the questions set. As usual, the answers are there for you to check your answers and if there is something that you are struggling with, please make us aware.

KEY VOCABULARY

arabesque
dish
straddle
volume
area
perimeter

WIDER CURRICULUM TASK

Last week, you had your first PE lesson with Olivia, who is the gymnastics coach from PNE.

This week, we'd like you to practise the shapes that we looked at last week and move on to Counter Balances and Counter Tensions using a partner (if available).

Please upload your photos and videos to SeeSaw so we can share them with the class.
