

SHERWOOD PRIMARY SCHOOL

YEAR 5 REMOTE LEARNING PLAN

Wednesday 13th January 2021

CORE LEARNING TASK FOR ENGLISH

Today is a cross between English and performance. You are going to begin with a grammar exercise looking at producing a list of space and place themed adverbials for use in our stories later in the unit.

Now for the fun part. Using the new Science fiction story of Alien and after watching the videos highlighted you are going to use 'Talk for Writing' to act out the passage. Watch Mrs Sheppard dancing and moving around Base and copy her actions from the video clip.

Have fun with it and send us your versions via video to SeeSaw. We look forward to receiving your videos tomorrow.

ENJOY YOURSELVES!!

CORE LEARNING TASK FOR MATHEMATICS

Today in your Maths we are going to look at using estimation and rounding to check work.

Today we will look at using rounding to calculate numbers mentally. Watch the video giving instruction as to how to use the technique to answer a range of questions involving addition and subtraction. Check your calculations with Mrs Sheppard on the video; mark them before sending them in on SeeSaw.

Then solve the selection of addition and subtraction problems on the remote learning page before sending them in on SeeSaw.
