LO: To innovate ideas for a story.

Thank you for helping
me apply for the job in
Brazil!
I have received a letter
to confirm that I was
successful!

I am going to
Brazil!

I don't know anything
about Brazil...

What do you
know about
Brazil?

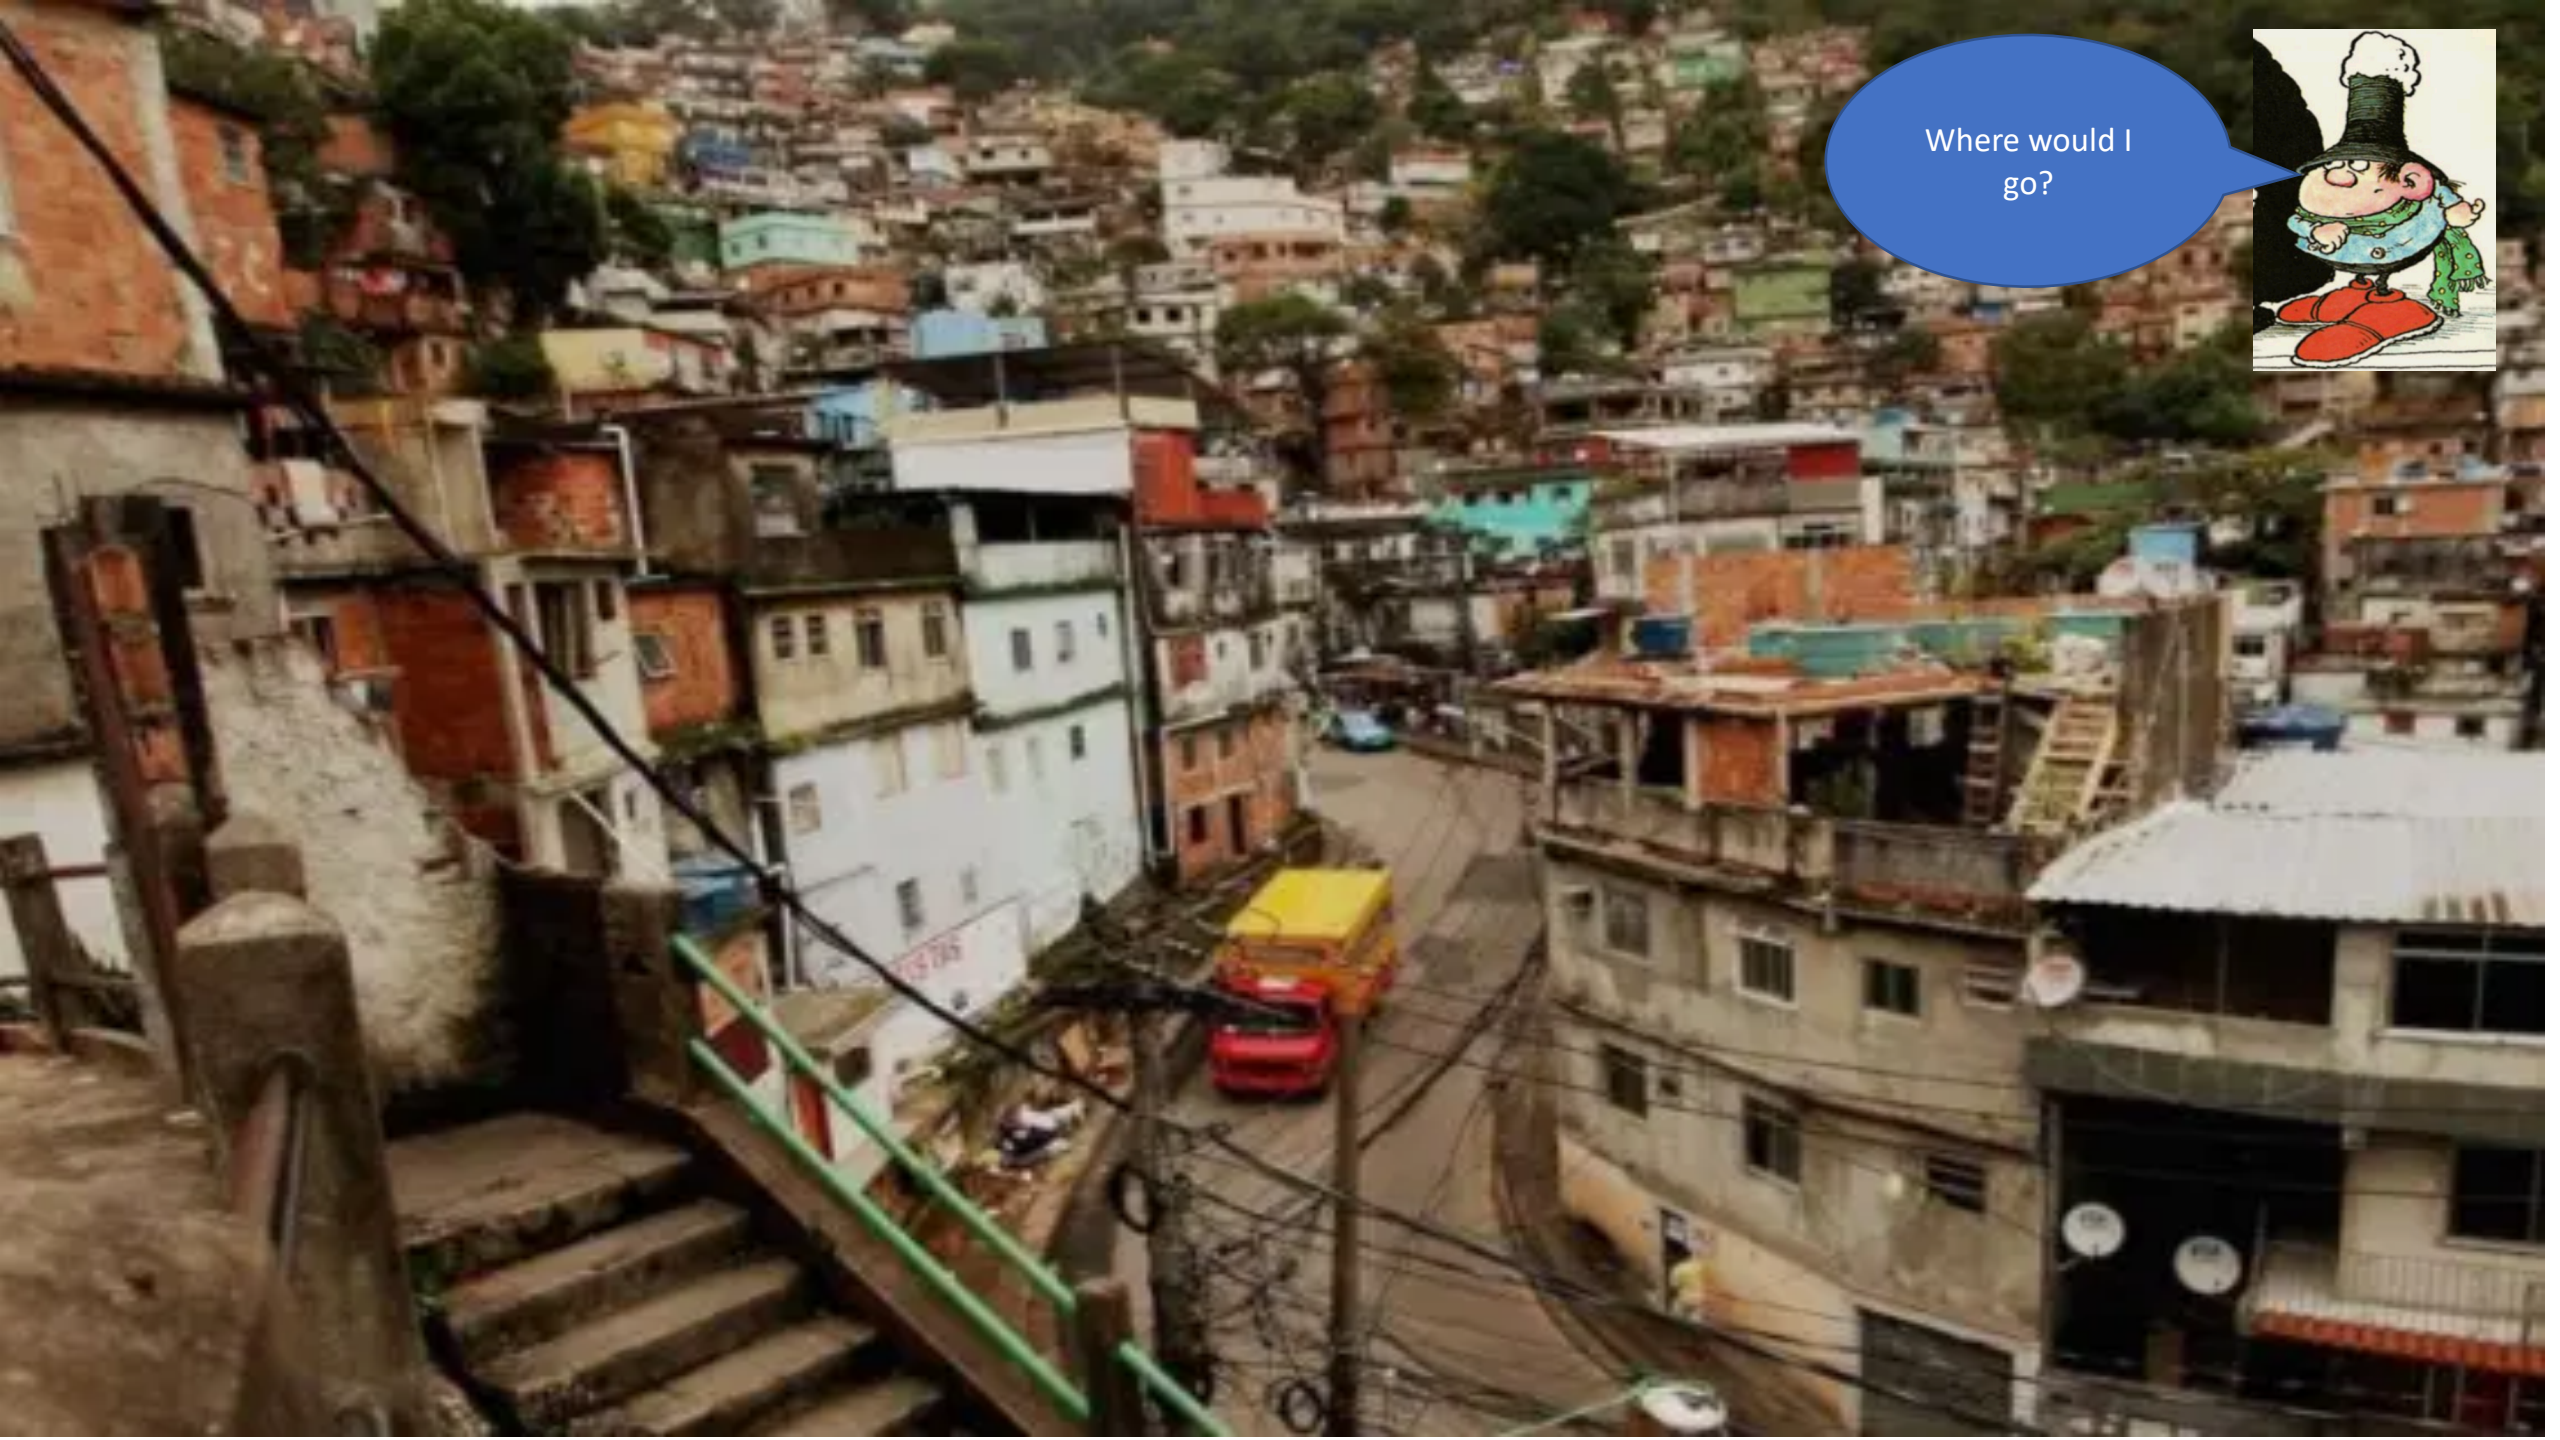

What can you tell Chilly Billy about Brazil?

That sounds
exhilarating!

I wonder what
adventure I will have
there...

Where would I go?

Where would I go?

Where would I
go?

Who will I meet?
What language
will they speak?

What problems
will I face?
How will I over
come them?

What do you think would happen if Chilly Billy went to Brazil?

- Where would the adventure be set?
- Who would he meet?
- What problems will he face?
- How will he overcome them?
- What will happen in the end?
