

SHERWOOD PRIMARY SCHOOL

YEAR 1 REMOTE LEARNING PLAN

Monday 18th January 2021

CORE LEARNING TASK FOR ENGLISH

Last week we began looking at our new class text 'Stuck' by Oliver Jeffers. Is it fiction or non-fiction? Who is the main character? What happens in the story?

If you need a re-cap of the story then watch it being read on our remote learning page on the website.

Task

On my way to school today I dropped pictures from the story and now they are all muddled! I need your help to put them back in the correct order as they happen in the story.

When you have done that write a short sentence underneath each picture to describe what is happening.

We look forward to seeing your work on Seesaw.

CORE LEARNING TASK FOR MATHEMATICS

This morning we are learning all about the words heaviest and lightest. Please gather a selection of objects from around your house. Order the objects from biggest to smallest. Now by estimating the weight of the objects arrange them from heaviest to lightest. What do you notice?

Are the objects arranged in the same way?

Are the biggest objects always the heaviest?

Are the smallest objects always the lightest?

KEY VOCABULARY

Maths – tens, ones, partition,

English – I'm, he'll, it's, isn't, don't
Challenge- These words are all contractions which means they have been made by shortening and combining two words. Can you work out which two words have been combined?

WIDER CURRICULUM TASK

Last week we watched the Queen's Coronation. Please re watch the video and then fill in the who?, what?, where?, when? questions on seesaw.
