## SHERWOOD PRIMARY SCHOOL <br> YEAR 4 REMOTE LEARNING PLAN

Date: 18/1/2021

## CORE LEANING TASK FOR ENGLISH

Please practise the 'Talk for writing' of the start of The Dancing Bear from last week. The aim is to get it perfect by Friday!

Please watch Mrs Holt's instructional video and complete the point and evidence activity.

## CORE LEARNING TASK FOR MATHEMATICS

Fractions
Today we will revisit last weeks lesson on adding and subtracting fractions and use this to solve problems. You can watch last Wednesday's video again if you would like a recap.
Remember:

- Adding fractions with the same denominator involves only changing the numerator.
- We can then turn an improper fraction into a mixed number fraction if needed or vice versa.

## Watch the introductory video on the Year 4 webpage.

We will particularly look at how to break a problem up and identify key information and vocabulary.

Complete the activities assigned on SeeSaw.
Arithmetic
Please complete the arithmetic test on the webpage and use the answer sheet to mark for instant feedback. Share your work on Seesaw.

## KEY VOCABULARY

rouge rose bleu jaune marron orange carbohydrates protein dairy improper denominator numerator

## WIDER CURRICULUM TASK <br> French

LO: To say the colours in French
Please log into Espresso and watch the two videos about how to name the colours in French: https://central.espresso.co.uk/espresso/modules/t 2_enfamille/video_colours/index.html
Then have a go at this snap game:
https://central.espresso.co.uk/espresso/primary u $\mathrm{k} /$ standalone/activity html/item257088/index.htm l? referrer=https\%3A\%2F\%2Fcentral.espresso.co.uk \%2Fespresso\%2Fmodules\%2Ft2 enfamille\%2Factivi ties\%2Findex.html\&bgcolor=
Please complete the 'French Colours' worksheet and upload a photo of your work on SeeSaw.

## PSHE

LO: To understand what a balanced diet is Click on the link below and follow the learning path, thinking carefully about what it means to have a balanced diet.
https://central.espresso.co.uk/espresso/modules/t 2 keeping healthy/healthy eating/frameset 9.ht ml
Please fill in the blank food pyramid with labelled examples of foods you eat in each section, eg. In the carbohydrates section you might draw a labelled diagram of some pasta.
