

SHERWOOD PRIMARY SCHOOL

YEAR 5 REMOTE LEARNING PLAN

Thursday 21st January 2021

CORE LEARNING TASK FOR ENGLISH

Again, we are following on from yesterday, and as such we are going to continue writing our Science Fiction stories. Follow Mrs Sheppard in her video, where she reminds you of the key skills we will be using in our stories today and models the next chunk. **DON'T FORGET TO USE YOUR PLAN!!** Continue writing the fourth chunk of your story. Don't forget to check your punctuation, spelling and regularly look for opportunities to edit. We always look forward to receiving more over Seesaw as we are intrigued to see where your stories lead.

PE Task for today.

Keep yourself moving and use the task to help. We have saved a daily challenge for you to complete on the Remote learning page. Let us know how you are getting along.

CORE LEARNING TASK FOR MATHEMATICS

Today we are looking at our understanding of multiplication using the grid method. Listen to Mrs Sheppard's video answering the questions as you go. Please identify them clearly. Be careful and give an estimate first to check your solutions against.

x	4000	800	70	6
30	12000	2400	2100	180
2	8000	1600	140	12

Also, today, we have uploaded a mental maths test for you to complete. Use the audio and listen as we would in class answering as you go. At the end the answers are also uploaded for you to check your own work before sending in on Seesaw.

KEY VOCABULARY

Spelling – Grapheme/Phoneme Correspondence.

Mrs Sheppard has got you sorted with this. Follow her video writing down the sentences as you go. Then repeat and use techniques taught previously to embed them in your repertoire of learnt words.

WIDER CURRICULUM TASK

Science

Today we are looking at new learning from our topic of Earth, Sun and Moon. We are going to look at the Solar System and in particular the planets. Can you name them all? And in order?

Begin by watching the video showing comparative sizes
