

SHERWOOD PRIMARY SCHOOL

YEAR 1 REMOTE LEARNING PLAN

Thursday 21st January 2021

CORE LEARNING TASK FOR ENGLISH

You have done a fantastic job writing the beginning and middle of the story this week. Which part do you need to write next? The end!

What happens at the end of the story?

Task

Today you are going to write the end of the story in your own words.

Remember to use capital letters, full stops and finger spaces.

Challenge: How do you think the other objects will get out of the tree? Discuss it with your family then film yourself explaining your idea!

We look forward to seeing your work on Seesaw.

CORE LEARNING TASK FOR MATHEMATICS

Today we are reading scales. Watch the video so you know how to work out what each line on the weighing scale represents then have a go at reading the scales yourself.

Remember you need to work out the missing numbers before you can read the scale.

We look forward to seeing your work on Seesaw.

KEY VOCABULARY

Maths – weight, mass, balance, equal, gram, kilogram.

English – delighted, ecstatic, exhausted, immediately

Challenge - Can you find out what these words mean and then see if you can include them in your writing today?

WIDER CURRICULUM TASK

In science today we are beginning to look at the senses starting with hearing. Which part of your body do you use to hear things? Watch this short clip

<https://www.bbc.co.uk/bitesize/clips/zqf9wx>.

Sounds are vibrations travelling through the air. Hum and gently place your hands on your throat. Can you feel the vibrations?

Close your eyes. What sounds can you hear around you? Can you hear sounds both inside and outside your home?

Investigate: What can sound travel through?

Explore which objects and materials you can be heard through e.g. paper, pillows, table, window, wall.
