CORE LEARNING TASK FOR MATHEMATICS

Today, as we complete our fractions unit, we will be putting our skills to use and applying them to a range of problem solving activities.

The aim of the activities is to get you think! The task itself is often not hard, the key is to be able to read and understand what the question is asking you to do. Then to break this down into simple steps.

Watch the introductory video on the Year 4 webpage.

Complete the assigned activities on SeeSaw.

WIDER CURRICULUM TASK

As part of music this term, Year 1 are producing their own music video of 'A Million Dreams,' and we have all been invited to join in. Please go to <https://www.youtube.com/watch?v=cYx-bs8yTwE&safe=true> and practise performing the Makaton signed version of this song. Please send a short video on Seesaw of you doing this activity! We will let you know next week how you can be part of the Year 1 video if you would like to. If you would also like to sing the song, click on the backing track at https://www.youtube.com/watch?v=3f2X_gIJ_u4&safe=true

PE

Click on <https://www.youthsporttrust.org/primary-pe-activities> and find 'Battleships' in the Games section. Read the task and watch the video for some great tips. Can you hit all of your partner's Battleships? Move onto Battleships 2 for an extra challenge!
