

SHERWOOD PRIMARY SCHOOL

YEAR 2 REMOTE LEARNING PLAN

Friday 22nd January 2021

CORE LEARNING TASK FOR ENGLISH

Well done on your fantastic writing this week! We are all so proud of you! Today we will be editing our work ready to write our improved stories up on Monday.

SPaG

Please watch the video of Miss Rimmer introducing and demonstrating today's lesson on using past tense verbs and the conjunction while which can be used in your writing.

English

Today we are going to be using our success criteria to edit our work. Please re-read your writing against the criteria so you can then mark and edit your work.

Miss Rimmer has created a video demonstrating reading her work out loud to identify where she can improve her work and given herself a tick on the success criteria.

Once you have watched the video, please use the success criteria sent to you on SeeSaw to edit and improve your work.

CORE LEARNING TASK FOR MATHEMATICS

For our last Maths session this week, we are going to be dividing whole numbers by 10.

For your tasks today, we would like you to complete the following:

1. Complete the array starter which can be found on the video.
2. Watch Miss Hough's video on some of the ways we can divide by 10 plus a handy tip to make it quicker when dividing by 10.
3. Complete the calculations from the video on a piece of paper or on SeeSaw.
4. Solve the tasks which have been assigned to you on SeeSaw.
5. Complete the following problem:

There are 10 candles in a packet. Abi needs 50 candles. How many packets does Abi need altogether?

Think about how you are going to solve this. Which method are you going to use? What is the answer? Don't forget to show your working out!

PHONICS

Today is our last day at looking at plurals. For today's tasks, we would like you to:

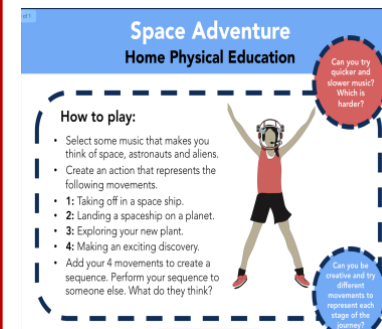

1. Recap on some Phase 5 sounds; say these sounds aloud.
2. Spell the following words: **who, any, eye, hour**.
3. Watch Miss Hough's video to look at when some nouns change altogether when made into plurals.
4. Write the correct singular noun and match it to its plural in the table.
5. Write 4 sentences using the irregular plurals provided on the PowerPoint.

Please see the video online to support these tasks.

WIDER CURRICULUM TASK- PE

This week, we would like you to complete the following activities based all around creating your own dance based on the theme of Space. Please record and send in your Space dances through SeeSaw!

Please see below for the instructions on how to do this and the video below to help. These will be made available on the school website as well.
