

SHERWOOD PRIMARY SCHOOL

YEAR 5 REMOTE LEARNING PLAN

Monday 25th January 2021

CORE LEARNING TASK FOR ENGLISH

Independent Write time. Yay!!!
But first follow the following link to remind yourselves of how to use paragraphs,
https://central.espresso.co.uk/espresso/primary_uk/subject/module/video/item361711/grade2/module305324/collection361831/section361761/index.html

Complete the quiz and see how you get on.
Following this we are going to look at planning the story to be written tomorrow. Think about the expanded noun phrases you could produce, using the noun towers, and following the planning of the chunks. Watch Mrs Sheppard's video to give you some ideas ready for the next step.

CORE LEARNING TASK FOR MATHEMATICS

Today in your Maths we are going to look at using and understanding the use of coordinates and also included is a recap on shape. We are looking at producing shapes and then naming, along with identifying the type of shape from its properties. For example, if the shape is regular or irregular?

Watch the Maths video, answering the questions as you go, uploading everything to Seesaw for us to check.

WATCH THIS SPACE We are very aware that many of you didn't complete the Badge 12 last year so watch out! It's coming!

KEY VOCABULARY

Today's word of the day is,

melancholy

An adjective that means depressed or gloomy
Investigate the word and put in a sentence and follow along with Mr Stanton in the short video to the word rap.

Also continue to learn previous words of the week using a variety of strategies.

WIDER CURRICULUM TASK

Geography

We are continuing our look at trade within the UK and worldwide but now concentrating on other commodities. Please rewatch the video here on Espresso,

<https://www.bbc.co.uk/bitesize/topics/zx72pv4/articles/zk4rmfr>

before watching the video on the remote learning page. Follow the instructions before moving on to look at the climate graphs, culminating in drawing a climate graph for Edinburgh as your last task.
