

# SHERWOOD PRIMARY SCHOOL

## YEAR 1 REMOTE LEARNING PLAN

Monday 25th January 2021

### CORE LEARNING TASK FOR ENGLISH

Last week you did an incredible job of writing the story 'Stuck' and you even improved it by adding in some fantastic adjectives.

On Friday you had a go at making your own kite and getting it stuck somewhere either outside or in your house. What did you throw to try and get it down? Did anything work?

Today you are going to plan your own version of the story Stuck. You will need to think of a new character and new objects to throw in the tree. For those looking for an extra challenge you could think of a completely different ending to the story.

Have a look at the video on the website for an example of how to lay out your work today.

We look forward to seeing your plans on Seesaw.

### CORE LEARNING TASK FOR MATHEMATICS

This mornings maths is all about counting. Once you have watched the video. Grab what you can to count and get counting.

Remember we are looking for patterns!

Once you have counted fill in the hundred square and record the patterns you have found.

### KEY VOCABULARY

**Maths** – tens, ones, partition,

**English** – hurled, tossed, launched  
**Challenge**- Practise writing these verbs as alternatives to 'threw.'  
Can you think of any others that you could you use when you begin to write your new story?

### WIDER CURRICULUM TASK

We are looking at another Royal event this week. Today it is the wedding of William and Kate. Follow this link to watch the highlights and then fill in the similarities and differences activity.
