# CHILLY BILLY

Chilly Billy's greatest adventure  
1. Once there lived a short, little  
old man called Chilly Billy. He lived  
in a little freezing fridge, but he didn't  
mind that he was freezing one day  
because the Narrator said something  
mean. It was a Friday. He was packing  
for the Brazil airplane. Take  
The airplane was quite positive.  
After he finally packed, he sat out.  
He heard the plane and took off to Brazil.  
When he arrived on the plane, it took  
one whole day. When he finally got  
there, he looked at rather James Gulp.  
I don't want to live in one of them gulls.

2. Chilly Billy hunted for the  
house. When he finally got  
there, the house was clean as  
a whistle. When he was packing  
his things, he wanted to go to  
Christ the Redeemer. When he was at  
Christ the Redeemer, he wanted to climb  
it so when he  
was climbing it, he lost his sack and  
shoes.

3. Suddenly a tap of  
a god flew past  
him. Then the god  
realised he was there.  
The god swam  
past the trees.
