CORE LEARNING TASK FOR ENGLISH

SPELLING FOCUS

This week, our spelling focus is all about words which are spelt wor but the or is pronounced as /er/.

- Please watch Miss Hough's video for today.
- Please make up some mnemonics to help remember three wo- words. Please see the sheet on the website to help.

English

After a unit of work we have an independent write to see if you can use the features that we have been focussing on. Just like we would in class, this is your time to show us what you can do!

No grown ups! If you can, find a quite place where you can write your resolution to a new Chilly Billy problem on your own. We want to see your incredible writing skills!

Step 1: Watch Miss Rimmer's video and finish the story map with your resolution (this will help your writing).

Step 2: Use what we have been focussing on this week to write a new resolution!

Your SPaG is a quick recap on using the conjunction while so that you can use it in your writing. **Remember to write in past tense and re-read your work!**

CORE LEARNING TASK FOR MATHEMATICS

Today, we are continuing our Maths focus on Money.

STARTER

Watch Miss Hough's video. She will provide you with a 2 digit number that you need to partition in 3 different ways.

MAIN TASKS

1. Discuss with an adult or family member what this symbol means: £
2. Watch Miss Hough's video which explains the difference between pounds and pence and which is bigger.
3. Complete the activities assigned to you on SeeSaw.

CHALLENGE

If you would like an extra Challenge, answer the following question and send your answers in via SeeSaw.

Find and explain the mistake:

£2, £4, £6, £7, £8, £10

How do know?
What should the correct answer be?

PHONICS

- Please play the following game which will recap on some Phase 5 graphemes. This game should be played daily.

<https://www.phonicsbloom.com/uk/game/phonics-frog?phase=5>

- These are your Year 2 Common Exception Words for this week:

Mrs, pretty, wild, bath

Please practise reading these 3 x per week and spelling them 2 x per week.

WIDER CURRICULUM TASK- SCIENCE

This week, we are going to be learning about seeds and something called the germination process.

TASKS

1. Tell and adult or record yourself identifying/ explaining the lifecycle of a bulb.
2. Look at the following picture:

Make a prediction about what is happening in the picture. Watch the video below to see if you were correct!
