

LO: To consider what a consequence means.

Read the scenarios and discuss the possible things that could happen from the different choices that we make. Note after each scenario what you think the responsible decision is.

<p>Act Responsibly Scenario Cards</p> <p>A group of children are at the swimming pool for someone's birthday. Suddenly, the fire alarm goes off.</p> <p>What should they do?</p> 	<p>Act Responsibly Scenario Cards</p> <p>During breaktime, some children are playing on the field at school when they notice a large branch on the ground, which has broken off a tree.</p> <p>What should they do?</p> 	<p>Act Responsibly Scenario Cards</p> <p>A couple of children are playing at the local park. They are approached by two adults asking if they would like to come and play with the games console they have in their van.</p> <p>What should they do?</p> 
<p>Act Responsibly Scenario Cards</p> <p>Some children are playing at a skate park on their scooters when some older children dare them to go down the highest ramp.</p> <p>What should they do?</p> 	<p>Act Responsibly Scenario Cards</p> <p>Two children are using a tablet to go online and someone on a chat site asks them to send a photo of themselves.</p> <p>What should they do?</p> 	<p>Act Responsibly Scenario Cards</p> <p>At a sleepover, some children stay up late and watch TV. They start watching a programme that has adult language and some violent action, which is not suitable for them to see.</p> <p>What should they do?</p>
