Finally, we would like to hear from you! Choose one of the poems and practise performing it. We would like you to learn it by heart and send us on SeeSaw.

Before you have a go, watch this video https://central.espresso.co.uk/espresso/primary_uk/subject/module/video/item1128057/grade2/module1098427/index.html where a poet gives you some advice on how to perform poetry effectively!

You also have a Guided Reading Task to complete today. Look for this on SeeSaw and send through to us!

CORE LEARNING TASK FOR MATHEMATICS

This morning we are continuing our geometry theme and looking at reflections. No, not the ones in the mirror! The reflections of polygons in a mirror line in a variety of orientations. Watch the video uploaded by Mr Stanton, firstly revisiting the process of translations as your starter before looking at a variety of reflection examples.

Using this new found knowledge, choose two sections to complete. If you feel confident then go for sections B or C. YOU CHOOSE.

Again, focus on standards please, using a ruler and pencil to complete the work. We then look forward to receiving your work via SeeSaw.
