

SHERWOOD PRIMARY SCHOOL

YEAR 4 REMOTE LEARNING PLAN

Date: 29/1/2021

CORE LEARNING TASK FOR ENGLISH

Thank you for sending Chunk 4 of your stories yesterday. We are incredibly impressed, not only with the way you are including our key skills, but the way you have shown great writing stamina! The quality throughout your stories has been consistently high, so keep it up for your grand finale today!

Rather than giving you a specific skill to work on today, we would like you to look at your marking ladder, see where any gaps are and try to work on those. If everything has been ticked, keep up the good work and try to include some more fronted adverbials for 'where' or 'how'.

Please watch Mrs Holt's video, then you will be ready to write your own Chunk 5 for your story. When you have finished, please complete your marking ladder and send us a photo of it along with your final chunk of writing so we can fill in the 'Teacher' column.

Well done everyone!

CORE LEARNING TASK FOR MATHEMATICS

Problem solving

Today we will apply the skills we have learnt throughout the week to solve problems.

- Coordinates- reading and writing them carefully using the x (horizontal) and y (vertical) axis. Drawing grids accurately, labelling numbers on the lines.
- Reflective symmetry- a line along which a shape can be folded perfectly in half.
- Translation- moving the position of a shape, without changing the shape itself.

Watch the introductory video and complete the activities assigned on SeeSaw.

Key Skill- read the problem carefully and break down what it you need to do.

KEY VOCABULARY

Coordinates Reflective symmetry
Translation adverb noun embedded
clause comma appraise

WIDER CURRICULUM TASK

Last week in Music, we learnt Makaton signs to the song 'A Million Dreams.' If you would like to help Year 1 create their music video, see last week's School Newsletter [here](#) for details of where to send your entry.

For music this week, please login to [Yumu](#).
Username: Sherwoodmusic Password: Funkybeat1
Click to launch **Step 3** and work through some of the activities on the right; *Listen and Appraise, Flexible Games, Play your Instruments*. You can choose to use your voice instrument by singing the song or have a go with a glockenspiel, recorder or keyboard if you have one! We would love to see a short video clip of you moving to one of the Flexible Games!

PE - Click on the [YouthSportTrust](#) and find 'Healthy Hearts' in the Health Related Exercise section. Read the task and watch the video for some great tips. Try putting on some upbeat tunes to exercise to!
