You also have a spelling activity on the letter string -ough.

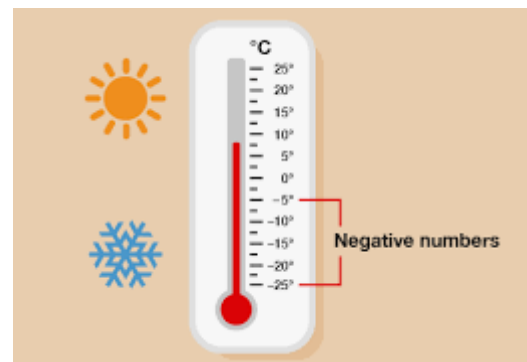

Continue with your Macbeth books, edit and improve your work and present it as a final piece.

### CORE LEARNING TASK FOR MATHEMATICS

This week we are going to look at negative numbers and learn how to calculate with negative numbers.

Please watch the video and view the presentation. Complete the task and check your answers to see that you are going in the correct direction!

Send your work via SeeSaw so we can check you have understood.

### WIDER CURRICULUM TASKS

On the school website, there are 4 videos for you to watch. Do the Warm-Up first and make sure that your body is ready for exercise.

Olivia has recorded what we have looked at so far in our PE sessions.
