

SHERWOOD PRIMARY SCHOOL

YEAR 6 REMOTE LEARNING PLAN

Date Thursday 4th February 2021

READING WITH YOUR CHILD

Please continue to read daily and record this in your diary. Each week (**Tuesdays**), you will be assigned a focused reading task via Seesaw. Please read the text and complete the task set.

CORE LEARNING TASK FOR ENGLISH

Today, we are going to begin our new English unit and explore the features of a range of non-fiction texts. Please see the Powerpoint presentation and Miss Terrell's tutorial videos.

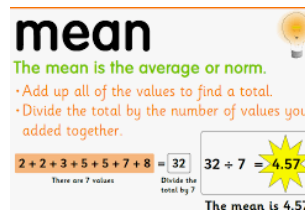

You also have a spelling activity on the letter string -ough.

CORE LEARNING TASK FOR MATHEMATICS

In maths today, we are going to look at how to calculate the average. This is very MEAN, because you have to add up all the items of data and then divide it by how many items in the set!

The mean average is used by teachers and other professionals on a daily basis, so it is something that you need to understand.

Please watch the video and view the presentation. Complete the task and check your answers.

Send your work via SeeSaw so we can check you have understood.

WIDER CURRICULUM TASKS

Macbeth Books:

Continue with your Macbeth books, edit and improve your work and present it as a final piece.

RE:

Continuing with our L.O.

'Is anything ever eternal?' Please read the attached parables and think about the message/lesson we learn from them;

'The Lost Son'

'The Good Samaritan.'

Write a paragraph to explain the message for each parable.

PSHE

Making Choices: Needs and Wants.

Look at the pictures provided. Sort them into items we need and items we want. Choose 2 items from each section and justify why you have placed them in the Needs or Wants column.

What do things cost? Try and estimate the cost of items.
