

SHERWOOD PRIMARY SCHOOL

YEAR 1 REMOTE LEARNING PLAN

Monday 8th February 2021

CORE LEARNING TASK FOR ENGLISH

Last week you did a fantastic job of learning actions to our text 'All About Castles' and you drew some fantastic diagrams of castles, labelling lots of their key features.

Today we will use our actions and text maps to help us write the introduction to the text.

Watch today's video on our Year 1 remote learning page then write your introduction.

Don't forget to include:

- Capital letters at the start of each sentence and for names
- Finger spaces
- Exciting adjectives

And remember to say each sentence out loud before you write it down.

We look forward to seeing your work on Seesaw.

CORE LEARNING TASK FOR MATHEMATICS

This week we begin learning all about division. To start today we are going to be thinking about halving- dividing by 2.

To get us started we we are going to have a go at doubling. Follow this link

<http://www.ictgames.com/mobilePage/archeryDoubles/index.html> Can you spot the relationship between doubling and halving?

Now watch the video learning all about dividing by 2. Then have a go at the activities assigned to you on seesaw.

KEY VOCABULARY

Maths – divide, share, group, half,

English – majestic, courageous, valiant

Challenge- find out what these adjectives mean by looking in a dictionary then see if you can use any of them appropriately in your writing today.

WIDER CURRICULUM TASK

In our history work today we are going to imagine we were a member of the crowd at the Queens coronation. Watch the video and then follow this link to remind yourself of what the coronation was like. Then complete the activity assigned to you on seesaw.
