KEY VOCABULARY

addition hundreds tens units
place value

les yeux (eyes), le nez (nose), la bouche (mouth), les oreilles (ears), la jambe (leg), le bras (arm), la tête (head)

CORE LEARNING TASK FOR MATHEMATICS

Arithmetic

Please complete the arithmetic test on the webpage and use the answer sheet to mark for instant feedback. Share your work on Seesaw.

Column addition

Today we will look at how we add numbers using a written method.

Watch the video introduction on the Year 4 webpage.

You will notice in the video that time is spent visualizing the numbers by drawing the units, tens and hundreds. We will then model the column addition.

The key questions you need to be able to answer:

- What happens when we have more than 10 of one place value? We carry it over.
- Why?

WIDER CURRICULUM TASK

LO: To name parts of the body in French

Please follow the link below to learn how to say these parts of the body:

les yeux (eyes), le nez (nose), la bouche (mouth), les oreilles (ears), la jambe (leg), le bras (arm), la tête (head)
