

SHERWOOD PRIMARY SCHOOL

YEAR 2 REMOTE LEARNING PLAN

Wednesday 10th February 2021

CORE LEARNING TASK FOR ENGLISH

SPELLING FOCUS

This week, our spelling focus is all about adding the suffix **-y** to nouns to make adjectives, for example rain- rainy, wave- wavy.

- Please watch Miss Hough's video which explains the rules about adding **-y** suffix to a noun. This can be found on the Remote Learning Page.
- Please fill in the sheet where you have to change nouns into adjectives based on the rules on how to do this.

ENGLISH

For today's SPaG we have a quick reminder about using and recognising present tense so we can use it in our writing today.

We are writing a non chronological report All About Seeds. Please watch Miss Rimmer's video which reminds us about the features of a non chronological report and provides us with some information to use in our writing. Remember for an independent task, you need to write on your own. However, you can discuss your work with a grown up before writing.

Miss Rimmer has uploaded the template for you to follow on the remote learning page. However, you may find the sections are slightly too small for you to fit all your information in. So, please write this in your books and use the template as a guide.

Please submit your report on SeeSaw. Try to make sure your picture is as clear as possible so we can read your fantastic work!

GUIDED READING

Individual reading tasks have been assigned on SeeSaw. Please record yourself reading and answering questions.

CORE LEARNING TASK FOR MATHEMATICS

This week, we are learning all about Subtraction. Today we will be focussing on the subtraction of a 2 digit number from another 2 digit number.

STARTER

For your starter, we would like you to look at the 2 digit number on the video. We would like you to think about how many tens and ones are in the 2 digit number.

MAIN TASKS

1. Work out the answer to $18-7=$
Can you remember what method to use?
Show your jottings.
2. Watch Miss Hough's video which shows you how to work out questions which involve 2 digit numbers being subtracted by 2 digit numbers.
3. Complete the tasks assigned to you on SeeSaw. Remember to show your jottings and working out.

CHALLENGE

Solve the following calculations using the methods learnt in the video. What does this look like as a calculation? What is the answer?

Subtract 13 from 28.

PHONICS

- Please play the following game which will recap on Phase 5 graphemes by reading words which include these. This game should be played daily.

<https://www.phonicsbloom.com/uk/game/odd-and-bob?phase=5>

- These are your Year 2 Common Exception Words for this week: **prove, would, beautiful, climb**

Please practise reading these 3 x per week and spelling them 2 x per week.

WIDER CURRICULUM TASK- HISTORY

What is Civil Rights?

Why was Rosa Parks known as 'the mother of the civil rights movement'?

These are the questions we will be answering today in history.

Task 1: Please watch this video explaining civil rights and the civil rights movement. Think about how people were separated and when did it change?

<https://www.youtube.com/watch?v=WKEGou1zPII>

Task 2: Please watch the start and end of BBC dramatisation of Rosa Parks. As you do think about how people were treated differently. Then at the end Rosa Parks says they were still treated differently but it was a start. What does she mean do you think?

https://www.youtube.com/watch?v=9iQVMWGE3_s

Task 3: Can you complete the sentence verbally or written:
Civil rights is toRosa Parks was known as the mother of the civil right movement because she was one of the first people to.....The civil rights movement changed laws that were.....
