

SHERWOOD PRIMARY SCHOOL

YEAR 1 REMOTE LEARNING PLAN

Wednesday 10th February 2021

CORE LEARNING TASK FOR ENGLISH

This week you have been writing our non-fiction text 'All About Castles.' You have been doing a super job and we have been impressed with all your hard work!

Today you are going to continue with the main body of the information text under the sub-heading:

Inside the castle

Don't forget to say each sentence out loud before writing it down and use your text map to help you.

Try to include some exciting adjectives to make your writing even more interesting!

We look forward to seeing your work on Seesaw.

CORE LEARNING TASK FOR MATHEMATICS

Today we continue our work on division but grouping instead of sharing. Watch the video to see the difference.

For our warm up today we are going to think about our number bonds. Follow the link for a memorable song to help you remember them.

<https://www.youtube.com/watch?v=ID9tjBUiXs0&safe=true>

Once you have watched the explanation of grouping on my video complete the assigned activity on seesaw.

KEY VOCABULARY

Maths – groups of, division, sharing.

English – lowly, lavish, sumptuous

Challenge - find out what these adjectives mean by looking in a dictionary then see if you can use any of them appropriately in your writing today.

WIDER CURRICULUM TASK

In our PSHE work today we would like you to produce a poster about keeping our whole body healthy. Think about all the things you have covered this half term. Try to include information about healthy eating, cleaning your teeth, hand washing and a healthy mind. We look forward to seeing your work in seesaw.
