## YEAR 6 REMOTE LEARNING PLAN

Date: Thursday 11<sup>th</sup> February 2021

### CORE LEARNING TASK FOR ENGLISH

Today, we are going to write our persuasive and final sections of our hybrid text – please see the Powerpoints and watch the tutorial videos. You might want to split this into two sessions today.

You also have a spelling activity and assessment on silent letters and unstressed vowels.

Finally, continue with your Macbeth books, edit and improve your work and present it as a final piece.

### READING WITH YOUR CHILD

Please continue to read daily and record this in your diary. Today you will be assigned a focused reading task via Seesaw. Please read the text and complete the task set. **New books this week!**

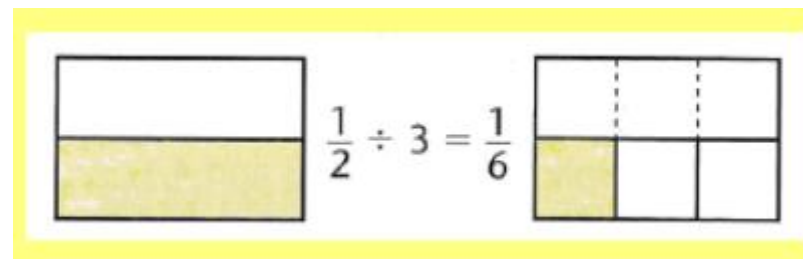

### CORE LEARNING TASK FOR MATHEMATICS

Today, we are going to divide fractions. Please watch the video and view the presentation.

Complete the tasks and check your answers.

Send your work via SeeSaw so we can check you have understood.

Use any spare time this afternoon to catch up on any unfinished tasks such as: your Macbeth books; reading activities (assigned via Seesaw); your circulatory system poster; Gustav Klimt collage.

If you have completed everything, find somewhere quiet and read for pleasure.
