What is a homophone?  
Can you give any examples?

1. Pair the homophones and record them in your spelling journals.
  2. Match the words to their meanings (stick them into your book).
- Use a dictionary or Wordhippo to help you.

Past tense of a verb meaning to permit or let happen	In a place or location – but not here.	Calm and quiet with no violence	A small island
An animal that is hunted and killed by another for food	The time which has gone by	Taking place as a series, e.g. a TV series like Coronation Street	A group of people elected to do a job
Rough, not smooth	Give advice	Belonging to them	To mark paper with letters, etc.
A grain grown and used for food, e.g. wheat.	Part of a larger whole, a fraction perhaps.	Spoken out loud	The past tense of the verb pass
Not wrong, not left	A clear path through rows of seating	Say a prayer to your God	The route or direction followed
