

SHERWOOD PRIMARY SCHOOL

YEAR 1 REMOTE LEARNING PLAN

Monday 22nd February 2021

CORE LEARNING TASK FOR ENGLISH

Today we are going to begin looking at the story of Peter Pan.

There are lots of different versions of this classic story and we will be looking at them over the course of the week.

Watch this live version of Peter Pan on CBeebies to help you become familiar with the story.

<https://www.bbc.co.uk/iplayer/episode/b04v89fn/cbeebies-presents-stage-shows-peter-pan>

Today we are going to be learning actions to our new text to help us learn and remember it. Watch the video on our Year 1 page on the website to get you started then create your own actions.

Our class version of the story will be sent to you on Seesaw.

We look forward to seeing your videos.

CORE LEARNING TASK FOR MATHEMATICS

Today we are beginning our topic of addition. Today I have given you a question you need to think about the calculations that will make that answer.

Before you get started follow the link to today's warm activity all about number bonds.

<https://www.topmarks.co.uk/maths-games/hit-the-button>

KEY VOCABULARY

Maths – addition, add, plus, sum, total

English – they, said, have, some, come, little, were, when, what, there

Challenge- these are your tricky word spellings for this week. Practise them each day and then get a grown-up to test you on them on Friday!

WIDER CURRICULUM TASK

In our Geography work today we are looking at the UK. Watch the video and then fill in the map with the correct details. I would like you to add the names of the countries, capital cities and the name of the seas surrounding our island. Challenge – can you add our location on the map?
