If you want to make yourself sound like a character what do you need to do? You need to change your voice! Practise changing your voice to make yourself sound like each of the main characters. Is their voice low or high? Loud or soft? What will they say?

If you want to make yourself move like a character what do you need to do? You need to change your body! Practise standing and moving like each of the main characters. Do they move quickly or slowly? Do they stand tall or bent over? Are their footsteps heavy or light?
