

Make a teddy bear

Note: ask an adult to help you if you are sewing your teddy bear.

You will need:

- Coloured felt
- Two buttons
- Strong glue for sticking or needle and thread for sewing
- Fabric markers
- Cotton wool for stuffing

Instructions:

- Cut out the teddy bear stencil on page 2.
- Attach the stencil to your felt and cut around it to get a teddy bear-shaped piece of felt. Repeat with your second piece of felt.
- Make marks for the eyes, nose and a mouth on one piece of felt.
- Sew or stick your buttons where you have marked eyes.
- Stick pieces of felt of different colour over the ears.
- Stick or sew the sides of the teddy bear together, leaving a gap on one side to push the stuffing in.
- Stuff your teddy with your cotton wool!
- Sew up or stick the last part of your bear together.
- Give your teddy bear a name!
