CORE LEARNING TASK FOR
MATHEMATICS

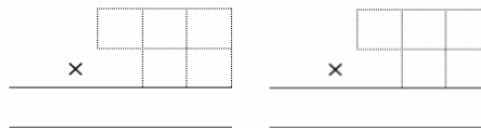

In maths this week we are going to be looking at Multiplication and Division.

Today, we are going to be playing a game involving Multiplication. Use a method you are confident with and one where you can be efficient!

Throw the dice four times each until all the cells are full.

Whoever has the product closest to 1000 wins.

Each of you draw a multiplication grid like this:

Please watch the video and view the presentation. Complete the task and check your answers. Send your work via SeeSaw so we can check you have understood.
