Please check out the WORLD BOOK DAY ideas loaded onto the Year 3 remote learning page daily. Complete as many tasks as you like.

### CORE LEARNING TASK FOR ENGLISH

Grammar focus: Please watch today's tutorial about writing a quote from your chosen character. Copy this out, using correct punctuation. You will need a piece of A4 white printer paper cut in half to A5 size. That's this plan sheet folded in half like a birthday card! We also recap on prefixes 'auto' and 'super' in our handwriting practice.

Written focus: Please watch the tutorial on how to write a letter to our author, Andy Shepherd, who wrote *The Boy Who Grew Dragons*. We will consider the **purpose** of the letter, who is the **audience** and the **language features** that we will use.

Your Task: Write a letter into your book to Andy Shepherd. Use the notes provided in the **writing frame** on the Y3 page to help you with ideas. Write a couple of paragraphs about what we have been learning around our Dragons theme, such as:

Reports on Komodo dragons  
Dragon stories  
Persuasive letter writing/ hunting for clues  
Dragon eggs  
Dragon eyes  
Flicker's Flaming Word Wall with sizzling vocabulary

The writing frame suggests helpful **sentence openers and conjunctions for complex sentences**. **Try your best to include some of these please.**

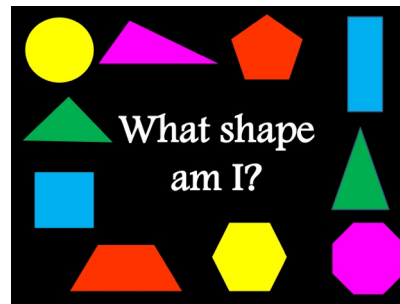

**Let's remember** those parts of a letter that we are editing and improving, in particular:

- Formal language
- Sentence openers and conjunctions
- Proofreading for corrections in spelling and grammar
- Neat handwriting

We would then like the children to complete the arithmetic paper Spring Test 2 (available on the Year 3 remote learning page). The answers are also up on the remote learning page so you can go through them with your child at home. Please send in your scores through the Seesaw app.
